FOR IMMEDIATE RELEASE

CRIFE NAMED AS ONE OF 'BEST PLACES TO WORK IN INDIANA'

May 2, 2007 (INDIANAPOLIS) – Today Cripe Architects + Engineers was named as one of the 'Best Places to Work in Indiana' for 2007, as presented by the Indiana Chamber of Commerce.

"It is such an honor to again be recognized as one of the 'Best Places to Work in Indiana,'" said Fredrick J. Green, president and chief operating officer for Cripe Architects + Engineers. "For the last 70 years, we at Cripe have focused on growing our business by doing great work for great clients- with a great staff. Our work in creating a culture that both celebrates our employees and their accomplishments as well as client satisfaction was honored last year when we were named one of the 'Best Places to Work in Indiana' for 2006 by the Indiana Chamber. And our continued focus on being an employer of choice throughout this last year was recognized today."

Cripe Architects + Engineers is an Indianapolis-based design firm founded in 1937 by Mr. Paul I. Cripe. The firm's 80 employees provide Architectural Design, Civil Engineering, Transportation Engineering, Master Planning, Land Surveying, Construction Layout, Geographic Information Systems, and Owner's Representation services to its clients. Its work spans all industries but concentrates in the Health Care, Education, Government and Municipalities, Commercial, and Residential markets. It is headquartered at 7172 Graham Road and also has offices in Carmel and Fort Wayne.
