FOR IMMEDIATE RELEASE

August 15, 2007 (INDIANAPOLIS)- Jennifer Phelan, PE has achieved her Leadership in Energy and Environmental Design (LEED) Accredited Professional certification, according to an announcement made today by Fredrick J. Green, AIA, NCARB, president and chief operating officer of Cripe Architects + Engineers.

"Jennifer is the most recent member of the Cripe team to achieve her LEED® AP certification; she will join the other members of the LEED team in leading Cripe's effort in incorporating LEED elements as defined by the U.S. Green Building Council (USGBC) into our design services," said Green.

A Fishers resident, Phelan holds a Bachelor of Science in Civil Engineering from the University of Delaware.

Cripe Architects + Engineers is an Indianapolis-based design firm that was founded in 1937. The firm's 80 employees provide Architectural Design, Civil Engineering, Transportation Engineering, Master Planning, Land Surveying, Construction Layout, Geographic Information Systems, Owner's Representation and Project Management services to its clients. Its work spans all industries but concentrates in the Health Care, Education, Government/ Municipalities, and Commercial markets. Headquartered at 7172 Graham Road, Cripe Architects + Engineers also has offices in Carmel and Fort Wayne.
