### FOR IMMEDIATE RELEASE

January 23, 2009 (INDIANAPOLIS)- Client Services Director David A. Lach, PE, Architectural Project Manager Michael Garringer, AIA and Project Engineer Karen Collins, PE have achieved their Leadership in Energy and Environmental Design (LEED) Accredited Professional certification, according to an announcement made today by Fredrick J. Green, AIA, NCARB, president and chief operating officer of Cripe Architects + Engineers.

"We are so proud of these accomplishments of David, Michael and Karen. This brings the number of LEED AP certified design professionals here at Cripe Architects + Engineers to 11. We are proud of these individuals and of their leadership and commitment to doing what is best for our clients, communities and the environment," said Green.

Lach, also a Partner in the firm, holds a Bachelor of Science in Civil Engineering from Purdue University.

Garringer holds a Bachelor of Architecture and a Bachelor of Science from Ball State University.

Collins holds a Bachelor of Science in Civil Engineering from Purdue University.

Cripe Architects + Engineers is a minority-owned, Indianapolis-based design firm that was founded in 1937 by Mr. Paul I. Cripe. The firm's 62 employees provide Architectural Design, Master Planning, Interior Design, Medical Equipment Specialization, Civil Engineering, Utility Coordination, Land Surveying, Construction Layout, Geographic Information Systems and Owner's Representation services to its clients. Its work spans all industries but concentrates in the Health Care, Education, Government/ Municipalities, Commercial and Residential markets. Headquartered at 3939 Priority Way South Drive, Suite 400, Cripe Architects + Engineers also has offices in Carmel, Fort Wayne, and Evansville. The firm has three times been named one of the state's "Best Places to Work" by the Indiana Chamber of Commerce in 2006, 2007 and 2008.
