

Project Surveyor

Cripe has an opening for a Project Surveyor and a great opportunity to build a career with a firm that is a leader in the industry. This position will be responsible for directing and performing office professional survey services, as well as preparing required information for field services. This specific opening has an emphasis in supporting our construction staking team however will also have responsibilities under a more traditional Project Surveyor role (boundary, ALTA, topographic surveys, etc.).

Required Knowledge, Skills and Abilities:

- Bachelor's degree, or Associate degree plus two years of experience, or five years of equivalent experience. Degree in Surveying preferred.
- Office and/or field experience in construction layout/staking for either surveyors or construction contractors preferred.
- Proficient with current versions of AutoCAD required, experience with Carlson Survey and Trimble Business Center a plus.
- Have a good general computer knowledge and experience with Microsoft Office.
- Experience in performing boundary, ALTA, and topographic surveys from start to finish including research, drafting, boundary analysis, and legal description writing.
- Follow industry and company standards and procedure.
- Ability to prioritize and multitask with great attention to detail - proactive and deadline-oriented.
- Excellent organizational, written and verbal communication skills.
- Ambitious, eager to learn, strong work ethic, effective alone and in team setting.

Compensation: Compensation commensurate with experience. Cripe is an **Employee-Owned** Company with an excellent benefits package including medical/dental/vision insurance, 401K profit sharing plan, company paid short /long term disability and life insurance, continuing education support, bonus programs, paid time off and health club facility. **Cripe** is committed to its employees and provides programs which promote career development, wellness, and a good life/ work balance.
